Disclaimer and Signature

I certify that my answers are true and complete to the best of my knowledge. Langdon Prairie Health and Langdon Ambulance Service offers EMS training that includes EMR, EMT, EMT Advanced and a large variety of continuing education courses. All EMR and EMT Training provides the necessary hours and academic training necessary to achieve meeting the basic requirements to take the National Registry of Emergency Medical Technicians Psychomotor and Written exam. Completion of those exams allows the student to become licensed in their state to practice. Langdon Ambulance only offers the EMT I EMR course, you will be able to become Nationally Registered through the NREMT. Completion of this course does not constitute a right to practice. Langdon Ambulance Services issues a certificate of completion and is not an academic institution such as a college or university and does not participate in Federal Student Aid program. Langdon Prairie Health and Langdon Ambulance Service does not discriminate against anyone regardless of religion, age, creed, gender, orientation, or physical abilities. Some courses do require that the student be able to physically do some of the skills in order to pass the course. If you require assistance due to a disability all reasonable accommodation will be given.
